Investigation of Amendments to the Framework for Integrated
Resource Planning

Request to Change Proposed Date for a Technical Session in the
Proposed Stipulated Procedural Order, Exhibit A

On July 29, 2009 the parties in this docket filed a "Proposed Stipulated Procedural Order" with the Commission. Exhibit A to the Proposed Stipulated Procedural Order is a proposed Stipulated Procedural Schedule (Schedule). The third item in the proposed Schedule is a "Technical Session on Parties' Informal Proposed Modifications to the Proposed CESP Framework" scheduled for September 11, 2009.

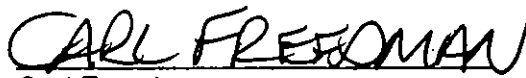

HDA respectfully requests that the proposed date of the technical session noted in the third item of the Schedule be changed from September 11, 2009 to September 15, 2009. HDA has polled all of the parties in this docket (including all intervenor parties and participants) and all parties have stated that they agree to the change in the proposed date.

Please note that, since the Commission has not yet issued an order approving the Proposed Stipulated Procedural Order, this is not a request for a change in an order by the Commission. This is a request for a change in the proposed date for one item in the proposed Schedule.

One correct copy of this letter is today being mailed by first class mail to each recipient identified on the Certificate of Service attached to the Commission's July 1, 2009 Order Granting Intervention in this docket plus an additional copy to each recipient requesting service in filings with the Commission since the date of that order (requests filed on July 6, July 20, July 28 and August 17), except that two correct copies are being mailed by first class mail today to Catherine P Awakuni, Executive Director of the Division of Consumer Advocacy.
